

9th Class Chemistry Pairing Scheme 2025

Section	Description	Included Chapter	Marks
MCQs (Objective)	Each question will carry 1 mark	1–1 MCQ from all 8 chapters	12 marks
Short Questions (Part B)	Each question will carry 2 marks	As per the distribution given below	30 marks
Long Questions (Part C)	Each question will have two parts; both parts of 3 questions are to be solved	As per the distribution given below	24 marks

Short Questions Scheme

Question Number	Included Chapters	Instruction
Q#2	Chapter 1, 2, 3	Answer any 5 questions
Q#3	Chapter 4, 5, 6	Answer any 5 questions
Q#4	Chapter 7, 8	Answer any 5 questions

Long Questions Scheme

Question Number	Chapters	Instruction
Q#5	(a) Chapter 1 – Fundamentals of Chemistry (b) Chapter 2 – Structure of Atoms	Both parts of any 3 questions are to be solved
Q#6	(a) Chapter 3 – Periodic Table (b) Chapter 4 – Chemical Bonding	
Q#7	(a) Chapter 5 – Physical States of Matter (b) Chapter 6 – Solutions	
Q#8	(a) Chapter 7 – Electrochemistry (b) Chapter 8 – Chemical Reactivity
